

## David M. Cox Elementary School Distance Learning Art Program Supply List

Dear DMC Families,

Provided here is a priority list and an additional list of supplies your child can use for distance learning art classes.

**I will be providing choice with materials so obtaining the supplies from the priority list of supplies is enough for the class.**

Please contact the school and/or myself if you need assistance with obtaining any of the items on the priority list.

Best to you all. Together, we got this!

Ms. Anexie Portalatin (Art Teacher)
